

Advancing Peace through Art-in-Community

PRESENTATION BY

Claudia Bernardi
MBC Artist-in-Residence

Tuesday, August 31, 2010

7:30 pm

Francis Auditorium

Mary Baldwin College

FREE AND OPEN TO THE PUBLIC

Artist and human rights activist Claudia Bernardi pioneered "the Perquin model" of art and diplomacy in the process towards justice in the mountains of El Salvador. She returns to Mary Baldwin in August to share her experience of working in a similar method with a community in Guatemala. Dean of the College Dr. Catharine O'Connell, faculty, and students will join Bernardi for a discussion of lessons from their Perquin experience in May 2010.
